

BE-TECH

BE-TECH ELECTRONIC HOTEL LOCKING SYSTEM
DESIGNERS' COLLECTION

WITH ARTISTIC ELEMENTS AND CLEAN LINES
THE SPACE FEELS CALMLY ELEGANT

Designers' Collection

Be-Tech partners with renowned designers and master handle craftsmen to present the Designers' Collection. These designer handles are fully compatible with our flagship series and RFID lock models.

Designed for hotels that value exclusivity and a personalized guest experience, this collection offers one of the most extensive and prestigious selections of designer handles for electronic locks available today.
